President City Municipal Council
MYSORE

To The Chief Secretary to the Government
of His Highness the Maharaja of Mysore,
Bangalore

Ml 135-28=1

SIR,

I have the honour to state that a proposition was moved by Mr C Narasimhiah Municipal Councillor re supply of Cauvery water to the Doddakere which has been drained off The Municipal Council at their meeting held on 25th August 1928, resolved that Govern ent be requested to make arrangements for an adequate supply of water either from the Cauvery or by improving the feeders of the tank I request you to kindly move the Government to investigate the question of securing sufficient supply of water to Doddakere

I have the honour to be
Sir
Your most obedient servant

President
GR

PVR

75 Proposition from Mr C Narasimhaiah, Municipal Councillor -

(i) "That Doddakere (tan) which is now emptied, be filled up with Cauvery water by installing a motor in the Channel which runs in the Boppanahalli tank very near the Municipal Boundary and by extending the Municipal Boundary if need be, to the northern end of the same tank "

Resolution- Seconded by Mr P S Ramaswamiengar Mr Dhanakotichetty proposed an amendment that the question of improving the feeders may be taken up Seconded by Mr Banumiah

Resolved that the Government may be requested to investigate the question of securing an adequate supply of water to refill Doddakere either from Cauvery water or by improving the feeders of the taknk

4) Returned, with compliments, to the General Secretary to Government-

5) 2 The question is "Securing an adequate ---- supply of water to refill Dodkere either from the Cauvery water or by improving the feeders of the tank-

6) 3 Feeding the tank from Krishnarajasagara seems feasible, but the proposal is estimated to cost more than Rupees two lakhs, as a long channel is required to be excavated The cost is - - - - prohibitively high to feed a tank the capacity of which is only 45 units This scheme cannot be -- recommended-

7) 4 The next course open is to secure adequate supply by repairing the existing feeders to the -- tank For this purpose estimates aggregating -- to Rs 1,516/- have been approved and the work has been ordered to be put in hand-
